Summary

"The 'earth' without 'art' is just 'eh'."
Programming, Web Dev and Data Science are my areas of work (ongoing)
My hobbies span from photography to UI wire-framing in my free time.
My favourite genre would be science fiction films & adrenaline boosted music.

Experience

▶ Creator

YouTube

Jul 2016 - Present (6 years 3 months +)
Created & managed a booming music channel – AlphaBeats Music.
Engaged in content creation & conceptualised clips into full-fledged videos.
Maintained and managed a library of images, assets, and creative animations.

Education

SRM University

Bachelor of Technology - BTech, Computer Science Engineering
